Once 50 members are established then we can start nominating Candidates for ballot endorsements for sitting with the caucus. Party does not nominate executive or legal branch office, no council candidate may be a lawyer, but all 50 can be Candidates if the platform isn't a problem for you in most cases. Personal platforms would be gratis, and considered in decision, party founder must declare support for nomination.

Mailing is a best bet. Both can be done, and preferred to have hard copy and prep. membership card.

Self Addressed Stamped Envelope for the card preferred. Not a rich man. No donations or costs yet, want to help, look at the site owner's paypal or artwork and comedy on shirts and do it that way, or affils. No specific party endorsement, just an idea to ensure founder's future in the world.
